FINALS AT V. M. I. COME TO CLOSE

Commencement Exercises Held in Jackson Memorial Hall.

DIPLOMAS FOR GRADUATES

Promotions and Appointments in Battalion of Cadets Are Announced.

[Special to The Times-Dispatch.]
Lexington, Va., June 20.—The last day of the session of 1911-1912 has passed. The same feeling of joy mixed with sorrow pervaded the farloughed corps, as well as the visitors.

After all the equipment of the companies was turned in, there was a short interval before the beginning of the final exercises. Xells were given by the separate companies for their officers of the past year, and the feeling of sorrow increased.

At 11 o'clock promptly the corps was formed and marched to the Jackson Memorial Hall. The hall was crowded to its utmost capacity, both standing room and sitting room being packed. On the stage was a large gathering.

The exercises were opened by a prayer, and Captain Edwards, adjutant, then read the distinctions for the year. Music by the V. M. I. band followed.

John Stevenson, of Kentucky, then delivered a strong valedictory address, which touched deeply the feelings of his classmates.

General Nichols delivered the diplomas and degrees to the graduating class.

List of Graduates.
Upon recommendation of the academic board, the following named members of the first class were declared by the board of visitors graduates of the Virginia Military Institute in the order of their names:

C. C. Randolph, Virginia; A. F. Kibler, Virginia; C. G. Miller, Virginia; H. P. Boykin, Virginia; M. Goodman, Virginia; W. H. Edwards, Virginia; H. B. Reardon, Virginia; A. H. Malsberger, Maryland; K. S. Purdie, Virginia; P. A. Morahan, New York; E. C. Outten, Virginia; A. M. Smith, Alabama; W. Reed, Virginia; T. C. Wilson, Virginia; H. Templeton, Texas; P. C. Jones, Alabama; W. M. Amerine, Alabama; F. A. Grove, Virginia; D. Drennen, Alabama; A. D. Brown, Missouri; G. A. Spoor, Georgia; R. M. Long, Ohio; L. Keith, Virginia; R. K. Shotwell, Virginia; J. L. Ewing, Louisiana; S. Dalton, North Carolina; F. V. Brown, Tennessee; W. H. McCormick, Maryland; L. H. Howard, District of Columbia; D. G. Morrisett, Virginia; W. Parker, Virginia; J. Stevenson, Ohio; L. S. Julian, Florida; H. W. Harris, Virginia; E. V. Smith, Kansas; J. W. Blomquist, Mississippi; T. F. Witt, Virginia; R. P. Carson, Oklahoma; J. J. Throckmorton, Virginia; W. C. Welsh, Virginia; E. Dup. Geizer, Virginia; P. L. Kane, Virginia; F. W. Carter, Virginia.

Distinguished graduates—C. C. Randolph, Virginia; A. F. Kibler, Virginia; C. G. Miller, Virginia; H. P. Boykin, Virginia; M. Goodman, Virginia; W. H. Edwards, Virginia.

Upon recommendation of the academic board, the board of visitors conferred the following degrees:

Bachelor of science—to the following members of the first class—C. Randolph, engineering course; A. F. Kibler, engineering course; C. G. Miller, electrical course; H. P. Boykin, engineering course; M. Goodman, electrical course; W. H. Edwards, chemical course; H. B. Reardon, electrical course; A. H. Malsberger, electrical course.

The first Jackson-Hope medal was awarded to Cadet C. C. Randolph of Virginia, and the second Jackson-Hope medal was awarded to A. F. Kibler, Virginia.

The French medal for highest proficiency in pure mathematics was awarded to Cadet J. G. Allen, New York.

The following ex-cadets were declared by the board of visitors graduates of the Virginia Military Institute: Otto E. Schultz, Texas, class 1908; J. Richard Wingfield, Albemarle county, Va., class 1884.

A benediction closed the exercises. The corps was formed on the parade ground, and the appointments for officers next year were read by the commandant, colonel S. R. Gleason. Then rest and Ould Lang Syne was played. The battalion was called to attention, and the word "dismissed" set the corps at liberty for two months.

Promotions and Appointments.
Upon the recommendation of the commandant of cadets the following promotions and appointments were made in the battalion of cadets:

To be Captains—C. E. Moore, 2. R. H. Hardaway, 3. H. T. Bryan, 1. W. B. Bowles, 5. M. H. Klugman, 6. L. Leach.

To be Adjutant—D. M. Wadley. To be Quartermaster—A. A. Owen. To be first lieutenant—J. K. Anderson, M. G. Patterson, H. M. Murrill, J. D. Ewing, C. Christian, L. S. Gerow.

TO THE PUBLIC

Upon the Subject of "Railroading" a Franchise

Charges are made in yesterday's editions of "The Times-Dispatch" and "Journal" that an effort is being made by this Company to "railroad" its franchise through the Council.

WHAT ARE THE FACTS?
This franchise has been before the Council for eight months. It has been considered at length by a Subcommittee of the Committee on Streets, and a draft of an ordinance made by the City Attorney, in accordance with the Subcommittee's instructions, presented to the full Committee.

The Committee on Streets again went into the matter, hearing argument of counsel and the statement of an expert in opposition.

That Committee then, by a vote of 12 to 3, expressed its satisfaction with the ordinance as drawn.

Much is made of the City Attorney's opinion that the ordinance would mean litigation.

WHY NOT BE FAIR?
The City Attorney's objection was chiefly to subsection 2 of section 8. This was removed by the adoption by the Committee of a substitute therefor, prepared by the City Attorney, without objection upon the part of this Company.

That official's opinion was that a "blanket" franchise, such as the one in question, is valid and that its provisions can be enforced.

The "Journal" says "Amendments and substitutes have been suggested by the City Attorney and others. These are yet to be passed upon."

WHY NOT BE ACCURATE?
Not a single amendment has been suggested by any one that has not been carefully considered by the Committee, and every one suggested by the City Attorney was adopted.

It is charged that this Company is trying to secure the final passage of this ordinance before September 1st. This is true.

It is also charged that the Councilmen who signed the call for a special meeting are actuated by a desire to "railroad" the matter through before going out of office. This is unjust and unwarranted. These gentlemen signed the call, at our request, without regard to their attitude towards the franchise.

Eight of the twelve members of the Committee on Streets, who voted for the franchise, will be members of the new Council, and two of the others are candidates before the people for the Administrative Board.

If this franchise is to be acted upon, it is necessary that there should be no further delay. The Constitution provides that, after this ordinance shall have been passed by each branch of the Council and signed by the Mayor, it shall be advertised for four weeks. Then it comes back to the Common Council, is referred to a committee, voted upon again by each branch of the Council, and again signed by the Mayor. Unless all of this shall have been completed by September 1st, the franchise will be dead—a year's work wasted, and a new fight begun before the new Council.

Delay, then, will kill this franchise as effectively as votes. Hence the cry against "Railroading."

WHY SHOULD THERE BE FURTHER DELAY?
The franchise has been before the Committee on Streets for eight months. It has been amended at the suggestion of the City Attorney. It has been recommended by an overwhelming majority of the Committee. It has been given publicity by "Service Talks," by experts and by newspaper editorials. It is printed, and a copy is in the hands of every Councilman.

Twenty-two hundred business firms of the city and representatives of 7,000 working men have asked for its passage.

A mass-meeting of citizens of the East End has unanimously endorsed the proposition, and we believe 99 cent of the entire population, not interested in the rival Company, agree with them.

The "Journal" says that this Company has wanted to sell out to its rival and "that the old Company refused to pay the price demanded." This is unqualifiedly false.

This denial has been made upon every occasion, and in the presence of officials of the Virginia Railway and Power Company, in the hearing before the Committee on Streets. Furthermore, we have stated in the same presence that at least two offers were made to buy by the parties at the respective times in control of the old lines, and that each time the offer was refused, without any counter proposition being made.

AND THESE STATEMENTS HAVE NEVER BEEN CHALLENGED.

IS IT HONEST, THEN, TO REPEAT SUCH BASE AND BASELESS RUMORS?
Read the following section of the proposed ordinance and see if anything be needed to protect the City's interest. Subsection 2 was prepared by the City Attorney and accepted by us without protest. Then consider that the Virginia Railway and Power Company is under no obligation to sell electric current to any one to a greater extent than 2,000 K. W. It can dictate its own terms, and requires you, if you wish light, to build its line for it, if you happen to live a few feet away.

EXTRACT FROM PROPOSED FRANCHISE.

5. The privileges hereby granted are also given subject to the following conditions:
1. That the said, the grantee herein, will, within two months from the final approval of this ordinance, file with the Committee on Streets an application for the route that it desires to cover with its distribution plant, which route the Committee on Streets may alter, enlarge or diminish as it shall see fit. The distribution system within such route shall be begun within three months, and completed within twelve months, after final action by the Committee on Streets.

2. The grantee hereof expressly assumes the duty and burden of selling electric current for any purpose to every inhabitant of the City of Richmond applying for the same, and in consideration of the consent hereby given to the use and occupancy of all of the streets and alleys of the City of Richmond for that purpose, and as a condition thereof, expressly contracts and agrees that the Council of the City of Richmond shall have power at any time, and from time to time, to prescribe routes covering any portion of the territory of the said city, and extending through any of the said streets and alleys, and to require the said grantee to construct the necessary distribution system and erect the necessary poles, wires, conduits and other fixtures, and to sell and deliver electric current to any person within said territory applying therefor, notwithstanding it may be true that a compliance with such requirement may not be profitable and will result in a pecuniary loss to the said grantee. It being the intention of this provision to clothe the said Council with absolute power to require the said grantee to sell and deliver electric current in any and all sections of the City of Richmond, and the construction of the distribution system necessary therefore, whenever and to whatever extent the said Council shall deem reasonable and necessary, and notwithstanding the territory so ordered to be covered and the distribution system so required to be constructed may be unremunerative and result in pecuniary loss to the said grantee. The said grantee shall begin construction of any such distribution system within three (3) months and complete the same within six months from the date of any such requirement, and shall sell and deliver electric current to any person applying therefor within the territory so ordered to be served by the said grantee at rates which shall not exceed a greater sum than ten cents per thousand watt hours, except that there may be a net minimum monthly charge of one dollar.

For any failure or refusal to comply with the terms of this provision, or with any requirement made thereunder, the said grantee shall, ipso facto, forfeit all rights and privileges to use and occupy any street or alley within the said city, under the provisions of this ordinance, and said rights and privileges shall thereupon cease and determine as if by limitation, without further action on the part of the City of Richmond.

3. That the said shall, within twelve (12) months from the final approval of this ordinance, have installed machinery for the generation of electric current for commercial light and power purposes, exclusive of street railway requirements, of at least 5,000 K. W. rated capacity.

By the installation of two new alarm boxes and a flashlight the Third District will become one of the best equipped in the city. The new light will be erected at the corner of Twelfth and Hull Streets, and will not only be in the center, but will be on the highest point of the Southside. At night when an officer is needed a light will be flashed. In the daytime a gong will be rung. The new boxes are being placed at Coward Avenue and Hull Street and at Seventh and Perry Streets.

Three Days in Court.
C. L. Emory is now a firm believer in the myotic rule of three. He appeared yesterday and the preceding day in the Police Court, Part 2, first as a defendant and then as complainant in a cross-warrant "ousting" affair, and now he must appear in the same court this morning to answer to a charge of disorderly conduct.

Emory owes his latest misfortune to good nature. In attempting to help a friend he became involved in a family quarrel, and with the guilty parties, Annie and William Pleasant, colored, was arrested by Captain
